A Chance to

THE MARRIAGE COURSE

Invest in Your Marriage

**How to build a
healthy marriage
to last a lifetime**

Who is the course for?

For any couple who want to work together at their relationship. It is beneficial and enjoyable for those who consider their marriage strong as well as those who may have struggles. Although the course is based upon Christian principles, it is very suitable for those without a Christian faith or church background. To come is not to admit you have troubles – but to say you want to strengthen what you have.

What is the Course like?

In a relaxing atmosphere, which will include dinner, the Marriage Course teaching, by Nicky and Sila Lee, will be shown on DVD.

Subjects cover issue's such as:-

- Building strong foundations
- The art of communication
- Resolving conflict
- The power of forgiveness
- Parents and in-laws
- Sex
- Love in action

Do not worry **THERE ARE NO SMALL GROUPS** and no public sharing with others. Privacy is respected and expected. However, there will be time given for you as a couple to talk through some of the issues in a confidential way.

There is also a manual that goes through the teaching and helps with application.

With so many marriages breaking down in the modern world, the concept of life long marriage is under great stress. This course aims to help couples work at their relationship together and build on their strengths.

Make it a 'Special Evening Out'!

While this is a 'course' why not think of it as a series of **special dates** together? The evenings will be in an informal and relaxed setting giving opportunity to spend time together and to meet others if you wish over the dinner time.

See the programme dates on the back page for your planning. It is important for you to make as many of the sessions as possible – it is not a 'dip in dip out' programme.

Limited Numbers

The numbers we can take are limited so please return your booking form as soon as possible. Your details by email will be acceptable.
